Because there are ties in the tally for each position we will be conducting an administrative hand recount Nov 29th here in the County Clerk's Office. Those results will then be certified to the City of Jordan Valley.

If at the conclusion of the Nov 29th hand recount there remains a tie for candidates receiving the highest number of votes, the city election officer will determine if those candidates qualify and are interested in the position. If more than one of the candidates receiving the highest number of votes qualifies and wants the position, the city election officer will facilitate a time and place to decide by lot who is elected.
